Property Description

Folks who decide to settle in the Ojochal area are looking for a location that, apart from privacy, tranquility, spectacular views, access to modern services and proximity to the jungle also offers an affordable price. That is a lot to ask for, and most properties offer some of these requirements but not all – well, this offer is an exception! Punta Mala is a small village only 3 kms away from the popular town of Ojochal - but while Ojochal is buzzing with activity, noise, and new arrivals Punta Mala is set back in the beautiful and tranquil wilderness, and this property takes full advantage of its location! Even the access road is worthy of praise - the road that leads from the village of Punta Mala to the mountainous setting of this lot is very picturesque and offers many attractions, with two rustic tilapia restaurants (you catch your own fish in the tilapia ponds!) and a huge tree that makes for top-rated Instagram photos.
