Property Description

The Elan at Ballena beach condominiums are the most luxurious condos in Costa Ballena, Costa Rica. Elan is the only development with private direct beach access on a flat easy walking trail through a gorgeous jungle setting. The beach at Playa Ballena is one of the most beautiful in the area and has a Blue Flag designation; which means it is one of the most pristine in all of Costa Rica. The extensive beach area is calm and stable for swimming and water sports for all ages. The Elan community is gated and very safe and secure. The condo location was chosen by the owners as one of the first purchases at Elan, meaning they had the opportunity to select one of the most ideal properties possible, tucked away and facing natural jungle surroundings. This spacious home has 2 bedrooms, each with full bathrooms and walk-in closets. There is a half bathroom in the common area as well. The condo has a full living room, dining room, kitchen and a laundry room.
