Property Description

5.43 ACRE Permaculture Farm with a Modern Tropical Home bordered by a natural spring-fed river and a wealth of amenities is the absolute paradise for sustainable living and relaxation. Permaculture Farm and Master Plan: Designed by a permaculture expert with a master plan, this well-thought-out and ecologically responsible design is organized in a way that maximizes efficiency, sustainability, and the integration of natural systems. Modern Tropical Home with Infinity Pool: The Modern Tropical Home with an infinity pool provides a luxurious and comfortable living space amidst the beauty of nature. The well-designed home offers two bedrooms and one and a half bathrooms, providing ample living space for the residents. Additionally, the home has been thoughtfully designed with the future in mind, providing plenty of room for expansion. There is ample space to add storage or extra rooms, allowing the residents to customize the home to their changing needs and preferences over time.
