The terrace features plenty of comfortable, quality patio furniture on which to relax and enjoy the views of the mountains and the maturely landscaped yard.The backyard is very private with mature landscaping surrounding the property lines and specifically around the pool area. There is a lower terrace behind the large pool with additional landscaped privacy that would be an excellent location for a guesthouse or up to two cabinas for income potential.The kitchen was completely renovated with granite counters and lots of custom cabinetry including a spice rack, pots ‘n pans drawers and revolving corner cabinets for easy access.
