Property Description

Brand new luxury home is one of the kind in the Central Pacific. Built and designed by one of the top architects in the country, this home spares nothing short of the best finishes and design on the market. The spacious and open floorplan features natural light throughout, with views of the calming lake steps outside your door. Sold fully furnished, each bedroom features its own full bath and is ideal for both the Costa Rica vacation rental or the perfect retirement property. Located in a pristine resort where you can enjoy paddleboarding, kayaking, hiking trails, biking trails throughout. The resort also has direct beach access and will feature a private beach club (to be completed in 2024) This project sits along Playa Hermosa Central Pacific, Costa Rica between Jacó and Esterillos. The development is 865 acres and is both a vacation destination and real estate community while also a wildlife sanctuary where nature and human beings coexist in harmony.
