Property Description

This attractive brand-new house, guest house and bucolic garden are located in Ojochal, minutes from amenities and beaches. You will be seduced by the unique character of this very neat property. The place is perfect for a pleasant life: easy to access, it offers privacy without being isolated. Surrounded by amazing Guanacaste trees, the whole garden (0,5 acre) benefits from a variation of light and shade, giving the houses, the terrace, and the swimming pool a perfect temperature. Along a dead-end street, the place is quiet, full of birds and only 200 meters from a year-round refreshing river that attracts plenty of wildlife. Lovely details throughout the property make it welcoming and warm. The main house has two cozy bedrooms, each with a queen-size bed and a large, shared bathroom. Most of the custom furniture is made with wood produced on the property. The open concept kitchen, with its clever storage and one-of-a-kind design, will provide culinary inspiration and the desire to surprise your guests.
