Property Description

This beautiful 4 bedroom, hacienda-style home (and bonus casita) is only minutes from Uvita and all of the amenities “the fastest growing city in Costa Rica” has to offer, perfect for families and retirees who want single-story access and easy access to amenities. This home features luxury finishes, mature landscaping, a yard with productive fruit trees, extra building areas, lightning-fast internet, a robust backup battery system, a completely upgraded water system and a super central location, this is an ideal home for those wanting convenience and ease in paradise. Extremely attractive as an income-producing investment property with dependable ROI, based on amenities and location. After an easy 3-minute drive from the highway on the well-maintained La Union road, you will arrive at the beautifully landscaped entrance and enter through the motorized gate. There is ample parking on the left and, to the right a private path leads you to the *bonus* casita which is located next to a lovely grove of bamboo.
