Property Description

Introducing Casa Las Nubes, one of the original homes in the Celajes Development. Located just 5 minutes drive from one of Costa Rica's most tranquil, safe and family friendly beaches, Playa Carrillo. Casa Las Nubes is situated at the top of the hill and features one of the most desirable ocean views of the beaches along the Pacific Coast. Breathtaking at both sunrise and sunset, enjoy the views while enjoying the cooler temperatures provided by it's altitude. Pictures don't do this home justice. Featuring 4 bedrooms and 3 bathrooms, Casa Las Nubes is the perfect retirement or family home. As you enter the house, a beautiful kitchen and living space meet and share a stunning view of the ocean. Up a few stairs, are the bedrooms. The primary bedroom has an expansive ocean view, en suite bathroom and an outdoor seating area. Step down a few steps to access a large storage space and the 4th bedroom, with its own bathroom, perfect for guests! The property is beautifully landscaped, the gardens and mature trees ensure tranquility.
