Property Description

Discover the Jungle Tree House, an idyllic haven designed for nature enthusiasts seeking a tranquil escape. Tucked away in the jungle, just minutes from vibrant Samara and its pristine beaches, this residence offers a seamless blend of modern comforts mixed in with stunning local woodwork. The residence boasts a redesigned kitchen, dining/lounge area, a swimming pool with a BBQ rancho area, and a captivating master suite accessible via winding stairs. The master suite features a large king-size bed, ample closet space, and a well-appointed bathroom. Crafted from local teakwood cultivated from the surrounding area three decades ago, this exceptional two-bedroom home is full of charm. The independent guest bedroom on the first level offers privacy and comfort surrounded by jungle. Embrace the opportunity to cultivate your Pura Vida dreams within the ample spaces of this remarkable property.
