Property Description

Welcome to The Nest, where jungle dreams meet contemporary luxury. This spectacular home, designed by award-winning architects Studio Saxe, makes its debut on the market, offering a unique blend of relaxation and sophistication. Situated in the Santiago hills above the breathtaking Hermosa Beach of Santa Teresa, this newly built roundhouse is a testament to modern design and natural harmony. Upon entering through the grand front entrance, you're greeted by a striking spiral staircase enveloped by lush greenery. The main level opens up to an expansive living and kitchen area, featuring glass doors that lead to a wrap-around balcony, inviting the surrounding tropical dry forest indoors. Aptly named, The Nest allows you to immerse yourself in nature, with the sights and sounds of birds and monkeys traversing their habitat. The home boasts three bedrooms, each offering en suite bathrooms and private balconies showcasing panoramic views.
