Property Description

Discover unparalleled luxury at this exquisite retreat nestled in the heart of Cabo Matapalo, Costa Rica. Embrace the fusion of modernity and nature as you bask in the untamed beauty where the jungle meets the sea. Enclosed within a fully fenced property with a gated entrance, this sanctuary offers the utmost privacy and security. A long landscaped driveway, flanked by lush greenery, leads you to the authentic thatch covered carport area in front of the house. Here, the oversized natural hardwood front door beckons you inside, where the panoramic views of the ocean unfold before you. Step into the expansive living space, where floor-to-ceiling windows blend indoor and outdoor living seamlessly. The centerpiece of outdoor luxury is the infinity-edge pool, seemingly merging with the vast expanse of the Pacific Ocean beyond. Lounge on the sun-drenched deck or take a refreshing dip while soaking in the breathtaking views.
