Property Description

Situated in the picturesque hilly landscape above the village, this property boasts a stunning, unobstructed view of Lake Arenal and the majestic Arenal volcano. Already gracing the landscape is a 40 m² approved lodge, contributing to a thriving holiday rental business with an expandable website. Plans for an additional 240 m² extension have already received approval. Crafted with care and simplicity, the lodge provides everything holiday guests, long-term renters, or new Costa Ricans might need. Inside, you'll find a fully equipped kitchen, a shower room with hot water facilitated by a gas boiler, and a bedroom featuring a double and a single bed. The large PVC panoramic windows with mosquito protection from Extrallum ensure an uninterrupted view from the bed. A covered, tiled terrace stands in front of the bedroom, complemented by a concrete path surrounding two other sides of the house.
