Property Description

Casa Maravillosa is an extraordinary property, showcasing the beauty of tropical architecture in the heart of Playa Dominical, Costa Rica. The combination of a prime location for surfing, a gated community with security features, and stunning ocean views makes it an appealing prospect for both residents and investors. The thoughtful design and attention to detail are evident in the luxurious features of the house. The emphasis on integrating natural elements like Teak ceilings and cabinets, along with high-end finishes, creates a harmonious blend of modern comfort and tropical aesthetics. The panoramic Ocean, Sunset and surf brake views are available from the entire house including the five rooms, each with private bathrooms offering a unique experience for residents and guests alike. The outdoor spaces are amazing, including a large kitchen with a BBQ area, a spacious living room, a fire pit, and an outdoor jacuzzi, provide a perfect setting for relaxation and entertainment.
