Property Description

Welcome to “Casa Manuel Antonio” the Newest Luxury Construction opportunity coming to the market! Featuring a Master Estate with 11 bedrooms, 13 Bathrooms, 4 car garage, movie theater, entertainment room, three cascading infinity pools, (1370 meters) 14,747 plus Sq.ft. of construction and a private elevator to access each floor. Ocean & Coastal beach views can be enjoyed from every level with multiple beaches just steps away! The main quarters of Casa Manuel Antonio feature an open, modern, and tropical design with floor to ceiling patio doors that makes a seamless transition from the indoors to outdoors infinity pools. The kitchen has been designed to entertain large groups with class & style in mind, including chief standard professional appliances throughout, a 300-bottle walk-in temperature-controlled wine cellar, and dining to accommodate groups up to 25 plus. The main level pool is situated off the main quarters and includes a unique in-pool jacuzzi area overlooking the famous Cathedral Point of Manuel Antonio.
