Property Description

Sale, Luxurious Mediterranean Estate in Villa Real, Santa Ana Located in the Eco Residential community of Santa Ana, this luxurious Mediterranean-style villa offers an abundance of high-end features, exquisite craftsmanship, and spacious family areas with spectacular views of the sunny valley. This impressive villa is designed on multiple levels; the entrance level features all the social areas, kitchen, service area, and parking. One level down, you'll find the three bedrooms, each with its private bathroom and walk-in closets. The master bedroom boasts an expansive bathroom with a tub and double sink, as well as a generously sized dressing room. Additionally, there's another large room that can be used as a game room, home theater, gym, etc., with its private bathroom. Outside, you'll find a patio with a pool and its own pool house for entertaining guests. Covered parking is available for 2 vehicles, with space for an additional 8 in the driveway.
