Property Description

We are delighted to present to you this pre-construction villa located within walking distance to the magnificent Chaman Beach. It is just five minutes from the captivating Marino Ballena park. This house has been designed to create a space that not only reflects modernity but also promotes an authentic connection with nature and the community, making the most of it, the space has outstanding restaurants relatively close to the house. This captivating open concept home spans a generous total area of 280 m² on a large 400 m² lot, highlighting the concept design with teak wood touches, handcrafted wood, modern furniture, high end appliances, porcelain floors and spacious bathrooms that provide quality and care in every detail. The house comes furnished, offering an environment of luxury and comfort for its future owner. It has a perfectly size pool to cool off, finished with Sukabumi Tile imported from Bali.
