Property Description

Located in Playa Tamarindo, La Perla is one of the newest and more modern condo developments in the area. It provides the best of both worlds: Ocean views and short walking distance to the beach and town. Tamarindo is a very well-known location for several reasons, among them closeness to the Liberia International Airport (easy access), beautiful white sand beach (with fun waves), and the countless number of activities, restaurants, and nightlife. All together have made Tamarindo a “must” in every tourist’s visit list... Hence an excellent investment location. If you are looking to enjoy high-end amenities in a short walk to the beach and town, unit 131 is ideal. Located on the 3rd floor it has some really nice ocean views from 2 of the bedrooms and the outdoor dining. The layout of the unit was very well-thought, it has comfortable open spaces, excellent natural light, large bedrooms, and bathrooms.
