Property Description

Nestled in a coastal paradise, this magnificent luxury residence, designed by an acclaimed architect, epitomizes sophistication and comfort. Encompassing over 2.8 acres, the property offers a serene retreat surrounded by lush trees providing complete privacy and an intimate connection with nature. Spanning 4000 square feet, this stunning home boasts both ocean and mountain views, creating a truly breathtaking living experience. The main house, showcasing a modern design, includes four expansive bedrooms, each with its own en-suite bathroom and balcony, along with an additional half-bath, ensuring ample space and convenience for family and guests. Each room is thoughtfully crafted to maximize natural light featuring large windows with stunning ocean and mountain views. The interiors harmoniously blend fine materials like wood, marble, marble and glass, creating an inviting and refined atmosphere.
