Property Description

Nestled atop the rolling vistas of Hatillo, Costa Rica, this palatial 4-bedroom, 4-bath estate commands a presence of both stateliness and warmth. A mere minute's journey up a paved road rewards you with a gated entry to this concrete-crafted Spanish Colonial masterpiece, ensuring utmost privacy and an air of exclusivity. Beyond the stately gates, a sprawling entry presents ample parking for up to 8 vehicles, setting the stage for grand gatherings. Complimenting the main residence is a spacious 1-bedroom caretaker's quarters, perfect for a live in property manager, in case the new owners plan to make this a vacation rental estate for a return on their investment! Inside, the ceramic tiles lay a foundation of classic beauty that flows seamlessly from room to room, creating a cohesive and luxurious living space. These tiles are not merely a design choice but a promise of enduring elegance and easy maintenance that compliment the lifestyle of leisure and longevity that Costa Rica is revered for.
