Property Description

Jungle, mountain, waterfall and ocean-view 4 bedroom luxury home plus multi-structure property with orchards, Airbnb history and room for further development on 71 acres of land! This property is truly exceptional, with ZERO exaggeration! Three homes (a total of 7 bedrooms), 2 private creeks and 2 waterfalls, refreshing swim holes, frontage on the Coronado River, one of the biggest exotic fruit orchards on offer in Costa Rica, a large greenhouse, sprawling gardens with many walking trails, plantels for additional developments, and views that stretch across the Pacific Ocean, mountains, jungles and deep river valleys. Already a successful Airbnb business, there is so much more potential here! The land is nestled on the lush rainforest-covered slopes of the towering coastal mountains – nature immersion at her finest! Monkeys, macaws, oropendolas, sloths, anteaters and countless other jungle creatures are at home here – and so is the majestic Jaguar, an animal that has been seen roaming the jungle just outside the gardens.
