Property Description

Nestled at the trailhead to Montezuma's renowned upper waterfalls, this turnkey property offers a unique blend of a craft brew pub, butterfly garden, and bed and breakfast. The property spans two commercial lots-one vacant, providing ample opportunity for expansion or additional guest rooms for a bed and breakfast. The adjacent lot features the main building. On the first floor, you'll find a fully licensed restaurant and bar with a ten-tap brew and soda system, a souvenir shop, office, and two bathrooms. The spacious deck seats up to 35 guests, all set in a lush jungle environment where howler monkeys and other wildlife are often spotted while dining. Upstairs, there are three air-conditioned bedrooms, three bathrooms, and a full kitchen-ideal for owner living or guest rentals. The brewery building includes a brew room, fermentation room, full kitchen, two bathrooms, and an outdoor kitchen and keg-washing area.
