Property Description

Welcome to Casa Manta Ray, a stunning 6,165 sq. ft. architectural masterpiece perched atop the exclusive gated community of Miramar in Mar Vista, Playa Flamingo. Designed by renowned Costa Rican architect José Mora, this brand new luxury home showcases a manta ray-inspired silhouette and is adorned with curated original artwork and custom-crafted Melina wood furniture throughout. Walls of glass open to panoramic Pacific Ocean views, while high-end finishes such as travertine floors, Venetian stucco, and a seamless indoor-outdoor flow create an ambiance of sophistication and serenity. The open-concept living area features an expansive sectional, natural wood accents, and a designer kitchen with top tier appliances and a spacious island ideal for entertaining. The home features four spacious ensuite bedrooms, including two opulent master suites with private balconies, walk through closets, and spa inspired bathrooms with ocean view rain showers.
