Property Description

Located within the secure and serene gated community of Montana, Casa Mia is a rare blend of nature, light, and thoughtful design. Set on a large, lush jungle lot, the home was created with a deep respect for its surroundings—most notably the magnificent Guanacaste tree that serves as the centerpiece of the property. Built with a harmonious mix of modern and traditional materials, Casa Mia offers a seamless indoor-outdoor living experience. The open kitchen and living area flow naturally to the covered patio, creating a perfect space for entertaining or simply relaxing while enjoying the sights and sounds of the jungle. With two bedrooms and two bathrooms, this home balances comfort and charm, while expansive windows and open spaces ensure you are never far from nature's beauty. The outdoor living area provides a front-row seat to the vibrant wildlife and ever-changing jungle landscape.
