Property Description

Experience the ultimate in luxury living with this stunning private estate perched above the lush jungle and shimmering ocean. This impeccable home offers breathtaking infinity pool views that stretch from the jungle canopy out to the ocean views beyond a perfect setting that combines natural beauty with sophisticated comfort. Designed for discerning buyers, this three-story residence features three spacious king-sized bedroom suites, each with its own ensuite bathrooms, and an additional versatile fourth bedroom with two doubles—perfect for families or groups traveling with kids. The fourth bedroom can be configured as a queen or kept separate for privacy, comfortably sleeping up to 8 guests. Every bedroom is equipped with climate control and high-speed internet, ensuring maximum comfort and connectivity. Step inside to a fully furnished interior adorned with custom hardwood accents, elegant tile flooring throughout, and modern amenities.
