Property Description

Take pride in owning this stunning custom-built, industrial style home completed in 2015. Located only one kilometer off the main road through Tinamaste (known for Tuesday's organic market), the home is ideally situated a short twenty minutes from both beaches and major shopping and medical/dental services in San Isidro de El General. Surrounded by 5.5 acres of mother nature, this property carries with it multiple species of wildlife, 2 natural springs, river frontage and ever-changing views of the towering Tinamaste's ridge. A 200 square foot, fully-serviced cabin, with kitchen, bath, and sleeping areas, is also on-site and within easy walking distance of the main house. The house boasts 8" concrete walls, buried utilities and engineering features that will stand the test of time. Reliable internet (both standard/fiber optic available), phone line, municipal water, on-demand gas water heater, and 100 amp electrical service keeps everything running smoothly and efficiently.
