Property Description

Casa Amanita is a newly designed luxury residence in Playa Grande, Guanacaste, created to offer a relaxed yet refined tropical lifestyle. The home blends modern architecture with natural elements and smooth indoor-outdoor transitions, resulting in a space that feels welcoming, functional, and easy to enjoy. It is well suited as a primary home, a coastal getaway, or a long-term investment in one of Costa Rica's most desirable beach communities. The property features three bedrooms and three and a half bathrooms, along with a separate guest house that can be used for visitors, rental income, or a private office. The layout emphasizes comfort and flow, with open living, dining, and kitchen areas that connect effortlessly to multiple covered terraces. A private pool and sun deck anchor the outdoor living spaces, creating an ideal setting for entertaining or relaxing in the tropical climate.
