Property Description

Introducing Domingo Studios - Two Cozy Casitas in the Hills of Santo Domingo. These charming studios are set in the green hills of Santo Domingo de Sámará, just a short drive from the beaches and services of Playa Sámará. They are ideal for personal getaways, guest accommodation, or as easy rental units that can generate income from day one. Each casita is fully furnished and move-in ready, with a comfortable sleeping area, relaxed living space, and a modern bathroom; one studio also offers a wheelchair-accessible bathroom for added convenience. A fully equipped kitchen in each unit makes cooking at home easy, while large windows bring in natural light and frame peaceful views of the surrounding hills. Outside, you can enjoy your morning coffee or evening glass of wine on the private covered terrace or back balcony, where hummingbirds, butterflies, and sometimes scarlet macaws regularly visit.
