Property Description

This stunning 24.46-acre property offers panoramic ocean, mountain, and jungle views. Situated at an elevation of approximately 1,500 feet, it enjoys a cooler climate, making it a perfect retreat. The property is only 20 minutes away from beaches and essential services, providing the best of both seclusion and convenience. The land is exceptionally private with multiple areas to build, offering the potential for various development opportunities such as a boutique hotel, family compound, or private estate. With four plantels already prepared and additional areas to carve out, this property offers endless possibilities. It's accessible via a public road with no restrictions on construction or business activities, allowing for flexible use. Key Features: • Size: 24.46 acres • Views: Expansive ocean, mountain, and jungle views from multiple points on the property • Climate: Cooler temperature at an elevation of around 1,500 feet • Distance: 20 minutes to beaches and services in Dominical and Quepos • Access: On a public road, ensuring no building or business restrictions • Development Potential: Multiple areas for construction with four pre-prepared plantels and more to be developed • Water: Legal water concession in place • Electricity: ICE electricity available nearby or opt for off-grid solar power • Privacy: Secluded and private, ideal for a jungle escape
