Property Description

Finding a 2,600-square-meter lot in Manuel Antonio that is both relatively flat and features open zoning (meaning it can be used for residential, commercial, or mixed-use development) is a rare find. Most land in this area is characterized by steep jungle slopes or strict environmental restrictions. Here is a professionally crafted real estate description you can use for a listing, brochure, or social media post. Premier Development Parcel: 2,600 m² of Pure Potential in Manuel Antonio Location: Manuel Antonio, Costa Rica Size: 2,600 Square Meters (approx. 0.64 Acres) Topography: Relatively Flat / Build-Ready Zoning: Open (Residential / Commercial / Mixed-Use) The Opportunity Rarely does a property combine this much usable space with such a strategic location. Situated in the heart of Manuel Antonio, this 2,600-square-meter lot offers a blank canvas for the visionary developer or homeowner.
