Property Description

FINCA SAN JOSECITO is a prime 20-hectare ocean view property for sale in San Josecito, Uvita, Costa Rica. This exceptional property offers river frontage, two natural springs, and existing utilities, providing a strong foundation for development. The mostly flat terrain makes it ideal for residential, eco-tourism, or commercial projects. Strategically located just 2.5 km from the Costanera Sur, the property overlooks Marino Ballena National Park, offering breathtaking views and proximity to Costa Rica's Pacific coast attractions. With abundant natural resources and excellent access, FINCA SAN JOSECITO represents a rare opportunity to acquire a large-scale ocean view property with significant development potential in a highly sought-after region.
