Property Description

Live Near the Sea in a Paradise This big piece of land 763.37m² (8,217 sq. Ft.) is in a special area called Tivives. The land is flat and ready for you to build on. It is surrounded by lots of plants and big trees making it cool and private. Why This Land is Special: This land is in a gated community with controlled access. That means it is safe and quiet. The beach is not away. It is a beach with great ocean views and amazing sunsets. Strategic Location: This land is in a spot. It is close to the beach. Not too far from the city: You are over an hour from the big airport and the capital city, San José. You are than 20 minutes from the best shopping centers and restaurants. You can do things with this land: You can build your dream home. You can design a house for your family or a small house for retirement. You can surround it with gardens. You can build a hotel or a place for people to rent.
