Property Description

Located in El Castillo Residential Community, this incredible 3,875 m² (0.95-acre) lot sits at an impressive elevation of 1,700 meters (5,577 feet) above sea level. Situated within an exclusive gated community with controlled access, this property offers a flat topography ideal for building your dream home. Enjoy the convenience of paved road frontage while being surrounded by lush trees that create the feeling of living in a peaceful forest. A small crystal-clear creek borders the property, adding charm and tranquility to this unique setting. The property has access to all public utilities, ensuring comfortable modern living. Just 15 minutes away, you will find supermarkets, clinics, and pharmacies, providing everything you need within easy reach. In only 30 minutes, you can enjoy the urban lifestyle of nearby cities such as Alajuela and Heredia. This strategically located lot allows you to enjoy the convenience of city services while still being immersed in nature.
