Property Description

Welcome to Casa Manta Ray, a striking ocean view residence located in the gated Miramar neighborhood of Mar Vista in Playa Flamingo, Guanacaste. Designed by renowned Costa Rican architect José Mora, this 6,165 sq. ft. home showcases a distinctive manta ray-inspired design and panoramic views of the Pacific Ocean. The home features an open-concept layout with expansive glass walls that seamlessly connect the indoor living, dining, and kitchen areas to a covered outdoor terrace. High-end finishes include travertine flooring, Venetian stucco, custom woodwork, and curated furnishings throughout. The gourmet kitchen is equipped with premium stainless steel appliances, a large island with seating, and custom cabinetry, flowing into a spacious dining and living area designed for entertaining. Casa Manta Ray offers four bedrooms, each with en-suite bathrooms, plus one additional full bathroom by the pool and one guest half-bath.
