Property Description

Set within the private gated community of La Ecovilla, a thoughtfully designed regenerative development spanning approximately 17 hectares of preserved natural landscape, this property offers a rare opportunity to experience a lifestyle rooted in nature, wellness, and connection. Ideally located just under an hour from San José and within easy reach of the Pacific coast, the setting balances privacy with accessibility. Positioned at the end of a quiet cul-de-sac, the residence enjoys exceptional privacy and a peaceful setting immersed in nature. The home spans 315 m² (3,391 sq ft) and features four bedrooms and four bathrooms, thoughtfully designed to reflect the natural beauty of its surroundings. Set on a generous 2,500 m² lot (0.62 acres), the home is constructed from rare tropical hardwoods, sustainably sourced from naturally fallen trees, and showcases traditional bahareque (wattle and daub) construction.
