Property Description

This brand new contemporary house offers the perfect blend of modern comfort and tropical living. Constructed with durable precast concrete block, this 80-square-meter home features two bedrooms and one bathroom, complete with high ceilings and air conditioning in every room for year-round comfort. The kitchen is beautifully designed with modern wood cabinets, gleaming epoxy countertops with a matching backsplash, and high-quality stainless steel appliances. Sliding doors open up to a spacious back porch, offering a relaxing outdoor space already equipped with hammocks so you can enjoy the beautiful mountainside views. The grounds are terraced and professionally manicured with drainage added to avoid any possible erosion. Beyond its stunning interior, this home is completely equipped for peace of mind and self-sufficiency. It connects to the local electrical grid but is fully supported by an impressive 8kW solar system paired with a 20kW lithium phosphate battery bank, ensuring seamless power for the entire house during any outage.
