Property Description

Hacienda Vista Grande is a newly constructed, multi-residence estate positioned above the coastline in Playa Grande, offering a rare combination of scale, privacy, and panoramic ocean and valley views. Thoughtfully designed as a luxury compound, the property includes a three-level main residence along with two fully independent guest casitas—ideal for full-time living, extended family use, or high-end rental income. The main house is designed to comfortably accommodate up to 12 guests (4 couples and 4 children) and features expansive indoor-outdoor living spaces across three levels. The upper floor serves as the primary living area, with an open-concept kitchen, separate butler's kitchen, and a spacious lounge that opens to a large ocean-view terrace. A primary suite on this level offers a private retreat with direct access to the views. The second level includes an additional lounge and entertainment area, a second primary suite, two guest king suites, and a bunk room, all designed to maximize comfort and flexibility.
