Property Description

Located in the exclusive area of Playa Blanca, this impressive property represents a unique investment opportunity in the heart of southern Costa Rica— a region renowned for its natural beauty, authenticity, and strong growth potential. Just 100 meters from the ocean, the land offers the perfect balance of privacy, nature, and proximity to one of the country's cleanest and most desirable beaches. With a total area of 7,871.45 m², the property features completely flat topography, ideal for immediate development. The land is clean, well-maintained, and fully grass-covered, surrounded by lush vegetation including fruit trees, tropical palms, teak trees, and established ornamental gardens—creating a naturally attractive setting ready to enjoy or develop. The property offers excellent infrastructure conditions, including access to public water, a private well within the land, electricity, and telephone signal.
