Property Description

If you're looking to really maximize your money and value appreciation within Hacienda Pinilla, the key is to snap up properties that are flexible, have plenty of bedrooms, and are priced smartly. Well, we've found the perfect match for that strategy. Los Malinches 27AB is a fantastic investment, featuring two brand new, adjacent duplex villas being sold together. These units boast a modern, spacious open plan design and high quality finishes, all in a prime location within Hacienda Pinilla, a highly sought after area within the costa rica real estate market. This combination makes the property a solid, secure earner right out of the gate. This unique offering actually consists of two separate villas, each with 3 bedrooms and 2.5 bathrooms. That gives you an impressive total of 6 bedrooms, 4 full baths, and 2 half baths all under one sale. This is, hands down, the best value proposition in the entire community, as acquiring any other 6 bedroom property here would cost you significantly more.
