Property Description

Located in the exclusive Valle del Sol community, Casa Solea at Valle del Sol is a contemporary residence that blends the relaxed essence of a beach house with the comfort and sophistication of city living. Designed and built by Motta & Vieto, this spectacular property offers a tropical ambiance with a functional layout that maximizes natural light and connection to its surroundings. Plus, a great location within the Valle del Sol gated community in Santa Ana, with access to the golf course and tennis complex on the coveted west side of San José, Costa Rica. From the entrance, the home's striking façade features a drive-thru driveway with a central palm tree and a spacious side parking area for four vehicles. A stunning six-meter-high main door leads to a double-height foyer, where elegant pendant lighting and glass railings from the second floor immediately catch the eye. The fully integrated social area combines the living room, dining area, and kitchen, all with large-format marble floors and warm teak ceilings, creating a seamless and inviting atmosphere.
