Property Description

Macaw Crest – First Residence in Exclusive Oceanview Community Perched in the lush hills above Tárcoles, this newly constructed 2025 residence offers a rare opportunity to own within Macaw Crest, a private gated hillside community featuring just 26 additional homesites for luxury residences and townhomes. This is the first home completed in the development, setting the standard for a boutique enclave designed for those seeking privacy, nature, and refined living without the density of large resort communities. Ideally located just uphill via a fully paved road from Santa Lucia Jungle Hacienda, Costa Rica, Autograph Collection by Marriott, and minutes from Carara National Park and Bijagual Waterfall, the home offers the perfect balance of luxury and nature. Despite its tranquil setting, accessibility is exceptional—just 70 minutes from Juan Santamaría International Airport and 30 minutes to Jacó, known for its restaurants, beach clubs, and nightlife.
