Property Description

Casa de Sueños is a well-positioned 3-bedroom, 2.5-bathroom residence set atop a private hilltop, offering wide mountain views and a sense of separation from surrounding properties. Situated across three lots totaling approximately 4,107 m², the property provides space and privacy in a natural setting. The home features a modern design with large windows that bring in natural light throughout the day while capturing the surrounding landscape. Interior spaces are well-defined and functional, complemented by furnished interiors that allow for a straightforward transition for new ownership. Outdoor living is a key feature of the property, highlighted by a private pool and BBQ area suited for everyday use or casual entertainment. The elevated hilltop position provides natural airflow, mountain views, and a quiet, private setting. Additional features include a 2-car carport, dedicated laundry and utility room, and a practical layout suited for full-time living or part-time use.
