Property Description

Discover a unique investment opportunity in beautiful Cahuita, just a 15-minute walk from the beach. This charming community offers spacious 1,000 m² lots priced at only \$100 per square meter, making it an excellent option for those looking to build their dream home or secure land in one of Costa Rica's most desirable coastal areas. Each lot features a very symmetrical shape, allowing for flexible and efficient construction designs. Whether you envision a private tropical residence, a vacation getaway, or an income-generating rental property, these lots provide the perfect canvas to bring your vision to life. The community is thoughtfully developed with a fully paved road, ensuring easy access year-round. Electricity is readily available, simplifying the building process. Buyers will need to install a private well for water, offering independence and long-term sustainability. Located in the vibrant town of Cahuita, you'll enjoy proximity to stunning Caribbean beaches, lush national parks, local restaurants, and a welcoming international community.
