Property Description

Great New House located in Naranjito Costa Rica, one of the fastest growing communities in the Central Pacific The location of this house is perfect, located on a smooth road and no four by four needed. The property consists of just under a quarter of an acre of land providing great views of the Mountain Ranges Near Quepos. The main house has a total of three bedrooms, two full bathrooms, modern kitchen, dining room area, living room outside deck area, and full yoga wood deck area as well. This house in Naranjito has a great pool and jacuzzi as well. Just recently the owner added a new studio with bedroom, living room, kitchen, and dining area. This is great as an owner can use this studio while still renting out the main house or vice versa. The property also has a two bedroom one bathroom house with kitchen that can be rented or used for caretakers on the property. One last important factor is that the owner of this property is willing to finance the sale of this property for a certain amount of time at 6%, something not offered by anyone else in the area.
