Property Description

Escape the noise of the city and discover a peaceful lifestyle surrounded by nature in Paraíso Sixaola, just 25 minutes from some of the most beautiful beaches in Costa Rica and conveniently located near the Panama border. This unique property offers the perfect balance of tranquility, space, and rural charm. Set on one hectare of well-maintained land, the property provides plenty of room to enjoy the natural environment, create gardens, or simply relax in a private tropical setting. Because the lot sits directly in front of a public road, it also offers the potential to subdivide the land, making it an attractive opportunity for future development or investment. As a special bonus, the property can include several animals—one horse, one pony, 10 ducks, and two cats—all optional for the new owner. It also features a traditional oxcart that can be pulled by the horse, adding a charming rural touch and authentic countryside character.
