Property Description

Located in a gated community between the town of Baru and Platanillo, Colinas Pacificas 5 is a select property on many levels. Access to the development is easy. From the beaches it's less than 20 minutes up the paved road that goes to San Isidro, the largest city in the area and one of the largest in Costa Rica. There is a gated entrance to the development and a full-time employee living by the gate. Lot #5 was one of the first lots selected in the development and the reason is immediately clear-- a gorgeous, curving driveway leads to a large building site. The expansive valley view is capped with a lovely slice of ocean view. You will enjoy privacy and all of the nature -- large, ancient trees, wildflowers, and abundant wildlife -- that surrounds you at this idyllic spot. This property is priced to sell and a pleasure to show. I'd be happy to take you up there when you call 8694-3176.
