Property Description

Completed in August 2024, this newly built home in Los Robles offers clean design, functional living spaces, and low-maintenance construction in a quiet residential setting. The home features 3 bedrooms and 2.5 bathrooms across 118 m² (1,279 sq ft) of air-conditioned space, set on a 467 m² lot. The layout is efficient with low-maintenance living, highlighted by a natural flow between indoor living areas and outdoor spaces, and all rooms offer direct access to the pool area. A modern kitchen with stainless steel appliances and upgraded quartz countertops anchors the main living area, while sliding doors open to a covered patio designed for everyday use and entertaining. The outdoor area includes a private pool, outdoor sink, and a dedicated storage room for pool equipment. A covered carport adds convenience, and the property is designed for easy upkeep. The Residence has recently been fully furnished.
