- Size: 7004 Square metres

- Status: Available

Property Description

Discover an excellent opportunity to invest or build your dream home in one of Costa Rica's most desirable areas. This project offers 10 ready-to-build lots, located in the ????? and attractive surroundings of Atenas, well known for its ideal climate and high quality of life. The lots feature usable topography, beautiful views, underground electricity, and internet availability, ensuring comfort, aesthetics, and functionality from day one. Available in a variety of sizes, the lots range from 978 m² to 7,004 m², ideal for those seeking a comfortable residential space, as well as for buyers looking for larger properties with added privacy or development potential. Strategically located with easy access to Highway 27 and just 10 minutes from downtown Atenas, where you'll find supermarkets, restaurants, medical centers, and all essential services. Prices range from \$150,000 to \$235,000.
