Property Description

Lot R26 is a 609.25 square meter residential parcel located in Surfside Playa Potrero, one of the most desirable beach communities in the area. The lot is suitable for construction and offers ample space for a single-family residence or investment property. Currently, there is no water letter or installed meter, giving buyers flexibility to manage utilities during their development planning phase. Positioned near the beach and within easy access to local amenities, this property represents an opportunity to secure land in a well-established coastal neighborhood with long-term growth potential. Option to purchase R25(with water letter) and R26 together
