

Land For Sale

📍 Cartago, Cartago

\$99,000

ID:

- Property Type: Land
- Size: 3977 Square metres

- Status: Available

Property Description

This 3,977 m2 lot in Navarro Dulce Nombre Cartago offers an ideal balance of nature, tranquility, and strategic location, just 15 minutes from downtown Cartago. With paved road access and nearby services, it is a strong investment opportunity for those looking to build a home or secure property in an area with growing value appreciation potential. The property features stunning panoramic views and a layout that includes a flat section, ideal for developing one or multiple homes designed to maximize the surrounding landscape. It also has water and electricity available, allowing for immediate development and making the process more efficient. Its approved land use for subdivision significantly increases its investment potential, whether for a residential project or long term growth. The fertile soil also allows for gardening or planting fruit trees, making this a unique opportunity in Costa Rica for those seeking countryside living, accessibility, and future potential.
