Property Description

Perched above the pristine coastline of Playa Ocotal, Casa Perdida is a rare architectural opportunity in one of Guanacaste's most desirable beach communities. Designed by renowned Costa Rican architect Víctor Cañas, a pioneer of tropical modernism, this residence reflects a philosophy of blending contemporary architecture with Costa Rica's breathtaking natural surroundings. The home features 3 bedrooms and 2.5 bathrooms across approximately 2,850 square feet of construction, positioned to capture sweeping panoramic views of the Pacific Ocean and the surrounding tropical landscape. Expansive terraces, lush gardens, and a private pool create an ideal setting for enjoying Costa Rica's year-round outdoor lifestyle. While the property is ready for renovation, its architectural pedigree, dramatic setting, and spacious layout provide the perfect canvas for a visionary buyer to restore and elevate the home into a spectacular modern retreat.
